POLYETHYLENE-PACKED ITEMS

Our Polyethylene-packed Bulbs with beautiful labels in natural colors are easily arranged in attractive displays that are orderly and clean and entirely eliminate the waste and culls existing in bulbs. These bulbs maintain a live healthy condition much longer in these packages, which prevent evaporation of the bulbs due to dry atmospheric conditions. Growing instructions and descriptions, which are so important to the maintenance of satisfied customers, are complete on each package. Each package labeled as to color.

Streamers and Garden Scene are included in each shipment.
